Thursday, November 12th, 2026 Technical Forum Presentations

We will have a wide variety of technical presentations ranging from laboratory investigations, case studies, and more! Once the program is finished, we will share the information with everyone.

We have confirmed that there will be presentations given during the Technical Forum portion from Vibrantz Technologies, PEMCO International, SRJ Steel, Nordson Corporation. Coatmaster, Trasmetal, Worldwide Finishing, and Paul O. Abbe. We are working hard to fill out the additional program for you!
